

Health, Community & Public Safety *Community Info Meetings*

Come learn about plans that would give Tacoma-Pierce County Health Department and Pierce County Community Connections a new home at 3615 Pacific Avenue— and make way for a proposed South Sound 911 public safety communications center. The proposed project involves demolishing the abandoned Puget Sound Hospital.

You are invited to learn about the concept, then discuss the idea with representatives from the Health Department, Pierce County and South Sound 911.
