SURPLUS DESCRIPTION: TELECOM EQUIPMENT

South Sound 911, hereafter "SS911," hereby gives notice of available surplus items. All surplus items are "as is." Unless otherwise stated in the notice, surplus is "where is." SS911 takes no responsibility for and makes no guarantees with respect to any item; provided, however, that in the case of surplus items for sale, SS911 will make a statement of the condition of the item, including any known defects, before a sale of surplus items. No sale shall be invalid due to defects discovered after the sale which may have been discovered by a reasonable inspection of the property before the sale. SS911 may withdraw items scheduled for disposal any time prior to the formation of a contract.

The successful awardee must remove the surplus property within a reasonable time (generally five working days), or, if a date is specified in the notice, by 4:00 PM on the stated date. A hold harmless release will be required before transfer of surplus property takes place.

Items will become available in phases based on eligibility, each phase encompassing a newly eligible group in addition to previous eligible groups. The first request received from an eligible party will be awarded; provided, however, that the awardee must remove the surplus property within a reasonable time (usually one calendar week) or by the date specified in the notice, if any. If the first awardee does not timely remove the surplus items, SS911, at its sole discretion, may offer the surplus property to the next eligible party, and so on.

ELIGIBLE GROUP	INTERVAL	INTERVAL BEGINS
