Title: Motion 2016-09 [floor] to accept budget presentation and support funding for the City of Tacoma radio access fees

Attachments: None

Type of action: Motion

SUBMITTED BY: Jim Sharp, Chair

BACKGROUND: Per the Interim Plan for Public Safety Radio System Access Fee Charges 2017-2019 (accepted by the Policy Board and Operations Board at their Joint Board Workshop on July 27, 2016) “the radio system owners agree to coordinate development of their detailed rate models with South Sound 911, and jointly present their proposed system costs and charges to the South Sound 911 Operations Board for its review and acceptance at a meeting prior to 11/1/2016.” The City of Tacoma presented its detailed budget and rate model for its radio system fees for 2017-2018.

Chief Baskett made a motion from the floor to accept Motion 2016-09; 2nd (Fisher) – passed unanimously.
